

THIS IS A CAREER DEGREE.
IT IS NOT DESIGNED TO TRANSFER TO A FOUR YEAR UNIVERSITY.

Danville Area Community College
2009-2010

Agribusiness Management Option

Associate in Applied Science Degree

This Agribusiness program with a Management Option prepares students for management positions in agribusiness areas in production agriculture and to the related product service areas. Mid-management work requires that a person have the managerial skills necessary to organize and operate a business, with attention given to accounting, selling and management principles. This program is an occupational program typically not designed to transfer. However this program has been articulated to some senior institutions. Please contact a counselor for specific details.

Designated as a Partnership for College & Career Success program.

First time degree seeking students must complete INST101, Success in College, as a requirement for graduation.
