

# Lakeview College of Nursing

## Baccalaureate Nursing Program

The College cooperatively provides the basic life and physical sciences, behavioral and social sciences, communication and humanities courses for students admitted to the Lakeview College of Nursing

The majority of the general education and prerequisite courses taken within the first four semesters (for full-time students) are completed at DACC. All nursing courses are taken through Lakeview College of Nursing, beginning the first semester of the third year (for full-time students).

The suggested curriculum plan is as follows:

## Lakeview College of Nursing continued

*\* Verification of current certification in CPR is a prerequisite for enrollment in all clinical courses. The certification must cover both choking and CPR for infants, children and adults including two-rescuer for children and adults. Currently called "healthcare provider" by the American Heart Association and "professional rescuer" by the American Red Cross.*

Lakeview College of Nursing has full and part-time options available to all students and offers a Bachelor of Science Degree in Nursing. Students must meet Lakeview's admission criteria in order to begin taking courses at Lakeview College of Nursing.

Upon earning a Bachelor of Science in Nursing (BSN) Degree, graduates are eligible to write the State Board Exam for Registered Nurse licensing (NCLEX-RN). Salaries for BSN grads are usually a little higher than for ADN-RNs. Additionally, a BSN is required for students that would like to pursue a graduate-level degree in nursing, such as the nurse practitioner or clinical nurse specialist programs.

For more information on this program, please contact a representative at Lakeview College of Nursing at 217-443-5238 or at [admissions@lakeviewcol.edu](mailto:admissions@lakeviewcol.edu). Lakeview College of Nursing is located at 903 N. Logan Ave. in Danville, IL, and on the campus of Eastern Illinois University in Charleston, IL through a partnership with Eastern Illinois University. More information may also be found on Lakeview's web site, [www.lakeviewcol.edu](http://www.lakeviewcol.edu).
