

**THIS IS A CAREER DEGREE.  
IT IS NOT DESIGNED TO TRANSFER TO A FOUR YEAR UNIVERSITY.**

**Danville Area Community College  
2009-2010**

## Landscape Design/Construction

Associate in Applied Science Degree

The diversified training required for employment in nursery or landscape operations is provided in this program. Student specialization will be enhanced by the full-time job training experiences that are included in this program. This is an occupational program typically not designed to transfer. However this program has been articulated to some senior institutions. Please contact a counselor for specific details.

**Designated as a Partnership for College & Career Success program.**

*First time degree seeking students must complete INST101, Success in College,  
as a requirement for graduation.*
