

**THIS IS A CAREER DEGREE.  
IT IS NOT DESIGNED TO TRANSFER TO A FOUR YEAR UNIVERSITY.**

**Danville Area Community College  
2010-2011**

## Health Information Technology

Associate in Applied Science Degree

This program is designed to provide students with the skills and expertise to obtain entry-level positions as Health Information Technicians in a variety of settings. The program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM). Upon completion of the program, students will be eligible to take the National Accreditation Examination. This is an occupational program typically not designed to transfer; however, this program has been articulated to some senior institutions. Please contact a counselor for specific details. All courses must be completed with a grade of "C" or better.

**Designated as a Partnership for College & Career Success program.**

***First time degree seeking students must complete INST101, Success in College, as a requirement for graduation.***

***Program is not eligible for Web Registration.***

**Entrance Requirements:**

MATH 101 (Basic Algebra) or higher level algebra-based math course OR placement by test into MATH 105 (Intermediate Algebra) or higher algebra-based math course.
