

**THIS IS A CAREER DEGREE.
IT IS NOT DESIGNED TO TRANSFER TO A FOUR YEAR UNIVERSITY.**

**Danville Area Community College
2010-2011**

Landscape Design/Construction

Associate in Applied Science Degree

The diversified training required for employment in nursery or landscape operations is provided in this program. Student specialization will be enhanced by the full-time job training experiences that are included in this program. This is an occupational program typically not designed to transfer; however, this program has been articulated to some senior institutions. Please contact a counselor for specific details.

Designated as a Partnership for College & Career Success program.

*First time degree seeking students must complete INST101, Success in College,
as a requirement for graduation.*
