

# Agribusiness

## Associate in Applied Science Degree

This program prepares students for mid-management and sales positions in agri-business such as fertilizer, seed, feed, chemicals, and businesses related to these product service areas. This is an occupational program typically not designed to transfer; however, this program has been articulated to some senior institutions. Please contact a counselor for specific details.

***First time degree seeking students must complete INST101, Success in College, as a requirement for graduation.***
