

Criminal Justice Corrections - Parole Officer Option

Associate in Applied Science Degree

This Criminal Justice curriculum is designed to give students the academic background and initial training for careers in corrections. Entry into the program is determined through the evaluation of personal qualifications and after the screening of an application which states that the student has no felony convictions. **Upon initial enrollment in program, students must complete an "Application to Participate" form.** Transfer curricula available at Eastern Illinois University, Western Illinois University and at Indiana State University. This is an occupational program typically not designed to transfer; however, this program has been articulated to some senior institutions. Please contact a counselor for specific details.

First time degree seeking students must complete INST101, Success in College, as a requirement for graduation.
