

# Political Science

## Baccalaureate Transfer Program

Political Science at Danville Area Community College offers undergraduate courses leading to the Associate of Arts. These courses are designed to prepare students for successful transfer to four year institutions.

### Program Specific Courses Include:

- Principles of Political Science
- American Government
- State and Local Government
- International Relations
- Comparative Government
- Non-Western Comparative Government
- Internship in Government
- American Judicial Process
- International Terrorism

### Job/Employment Information:

*Positions You are Trained for:* The Political Science major is designed to prepare students for a diverse range of career paths including careers in research and management positions in the public and private sectors, government, and law.

The Political Science curriculum is structured to develop an understanding of the dynamics and institutions of political life, preparing for the realities of public policy and administration, and learning the methods necessary for empirical research and analysis. Many students will continue their studies in Political Science, Law, Business, Journalism and Computer Science.

For the most current salary information visit [www.ilworkinfo.com](http://www.ilworkinfo.com).
