

**Higher Learning Commission
Follow Up Committee**

Meeting Date: September 7, 2007

Members in Attendance: Ernestine Darnell, Gail Morrison, Ann Muench, Nancy Boesdorfer

Nancy distributed the latest edition of the “Detailed Table of Contents” compiled from all HLC committees. She also shared an updated and shorter version of the Follow Up committee’s “detailed table of contents,” which will correspond more closely with the other committees’ bullets.

Ernestine reported that she had received information from Randy Fletcher on Challenge 6, which she will share with Craig Potter.

Upcoming Meeting Dates: As we looked at calendars, we could not find a meeting date available until Friday, September 28 . . . so the rough draft will not be due until then. All committee members are to have their rough drafts due that day. If possible, please e-mail to Nancy when completed so she can compile all of the information into one document.

Meeting Adjourned: 3:15 p.m.
