

December 4, 2006 – 8:30 a.m.

AGS COMMITTEE MEETING was called to order by Dr. Belinda Dalton-Russell.

Present: Ryan Wyckoff, Jon Spors and, Karen McKissack.

Absent: Naomi Yonke, Eric Rayburn, Sherry Waggaman

Dr. Dalton-Russell shared with committee members that our focus/assignment has changed and that we have been instructed to submit a Blanket Online Degree through the Institutional Change Process.

Mr. Spors stated that we should have a listing of online degrees that are jointly affiliated with ILCO. They include transferring back credits. DACC has 7 degrees and certificates that can be completed online. He also stated that there are specific course requirements for some programs and they need to be incorporated for online degrees. Ms. McKissack stated that the process of creating online degrees is the responsibility of the Department Deans and faculty.

Dr. Dalton-Russell will request the follow-up information of the previous Institutional Change that consisted of a blanket online degree that was not approved. We need to know the results of this report. Mr. Spors suggested inviting Mr. Fletcher to our next meeting for a clearer explanation of the committee's responsibility.

Ms. McKissack is looking to submit the list of courses that are not currently offered online, to Vice-President of Instruction, Dave Kietzmann. She also stated that programs such as Industrial Maintenance, Electronic Technology and Criminal Justice do not offer all of their classes online.

Dr. Dalton-Russell recognized the consistency/commitment of the members that were present and, announced that Diana Wyatt was transferred to another committee.

Meeting adjourned at 9:00 a.m.

Next Meeting: Thursday, December 7, 2006 @ 3:45 p.m. in Lincoln Hall/Laura Lee Room.

Happy Holidays,

Secretary, Karen McKissack
