Financial Assistance for Students

3A. Number and Percentage of total enrollment who applied for any type of financial assistance.*

Fall 2008		Fall 2007		
Total enrollment**	4530	Total enrollment**	4793	
	Number of Students	% of Total Population	Number of Students	% of Total Population
	3403	79%	3230	68%

*Applied for any type of financial assistance is compiled of all who completed the Free Application for Federal Student Aid (FAFSA) and included DACC school code which resulted in an Institutional Student Information Report (ISIR) being received. Changes in the MIS used by the College may have resulted in a different volume of ISIRs. The 2007 data include rejected ISIRs. The 2008 data includes valid ISIRs only. A valid ISIR is one with an Expected Family Contribution (EFC) being generated.

** Total enrollment is based on the number of students, full- and part-time, in degree and/or certificate seeking programs eligible for federal and/or State financial assistance as reported to ISAC annually.

3B1. Number and percent of total enrollment who received financial assistance of any type. ***

		Fall 2008		Fall 2007	
Total enrollment**		4530		4793	
		Number of Students	% of Total Population	Number of Students	% of Total Population
		2314	54%	2259	48%

***“Any type” of assistance includes Federal, State, Institutional and private donor scholarships and grants. Total is representation of an unduplicated headcount.

Note: Data is accurate as of “end of term” records however Financial Aid data is not final until the award year is over which is the end of the summer term (fall, spring, and summer sequence).
