ATD Data Team Meeting

Tuesday October 18, 2016

3:15 p.m.

Copper Penny Room

Present: Bob Mattson, Jessica Miles, Marjorie Larson, Rebecca Courchesne, Cindy Peck, Stacy Ehman, and Dr. Penny McConnell

1. Key Performance Indicator updates
   a. A number of KPIs have no new data available due to Performance Funding being inactive
   b. Increase in CTE awards, even with less students
   c. KPI #3 retention is up Fall to Spring, but down Fall to Fall
   d. BIOL 102 success rates up for all but White
   e. ENGL 121 success rates up for all
   f. ENGL 101 success rates up for Black and Hispanic but down for White
   g. MATH 115 success rates up for all
   h. CBUS success rates still low for Black and Hispanic students
   i. Success rate gaps for Pell students still persist in DEV, ENGL 101, ENGL 102 and CBUS 150
2. DACC AtD Student Success Report
   a. Most interesting information from the report is already known and/or acted upon
3. Math sequencing reporting
   a. The decision was made that students in DEVM will be considered college ready when they enroll in MATH 107 or pass DEVM 100 and those in MATH 105/108 will be considered college ready when the course is completed. As a result two different charts will be prepared.
   b. MATH 107, 108 and 115 will now be considered gateway courses.
4. Operation Graduation student tracking
   a. To track how the IPEDS cohort of first-time fall full-time students is being tracked a reporting form was shared and agreed upon.
5. Section Utilization
   a. Dr. Nacco has requested that first day section counts be tracked to see what percent of the seats are filled. The purpose being to better understand the current capacity, and in the future run sections closer to capacity.
