## MISSION AND VISION

Danville Area Community College Foundation is a not-for-profit organization committed to promoting and supporting the success of Danville Area Community College through fundraising and stewardship of the Foundation's resources, with the belief in the College's positive educational, cultural, and economic impact on the communities it serves.

## WHY I GIVE -- FRED FAULSTICH

Fred Faulstich is beloved throughout the Danville community for his life-long commitment to supporting charitable and civic groups throughout Vermilion County. Recognized this past year by the Danville Noon Rotary as “Man of the Year” for his legacy of community service, Fred has a unique connection to Danville Area Community College that began when he met DACC’s founding president Mary Miller in the late 1950’s while he was attending Schlarman High School and working for his father’s printing company.

Fred recalls, “Back then, the College was still in Danville High School, on the second floor. I’d go there for print deliveries, and that’s how I got to know Ms. Miller.”

After graduating from St. Joseph’s College in Rensselaer in 1960, Fred eventually returned to Danville to work full time in the Faulstich Printing Company, a still-thriving family business that his father Paul Faulstich founded in 1932. He resumed his relationship with President Miller, who managed her fledgling college with a tight budget.

When President Miller had completed the research and writing for what would be a seminal work on the history of the College, Ms. Miller sought out Fred to be her publisher. The book, titled, *A Chance for All*, continues to be a must-read for anyone new to DACC. As Fred says, “I was deeply honored that she wanted us to print her book. I still have an original hard copy from December 1980 that she autographed for me, and I’ll always treasure it.”

As Mary Miller’s dream grew to become the comprehensive community college that DACC is today, Fred continued to work with the College and took personal pride in the College’s development.

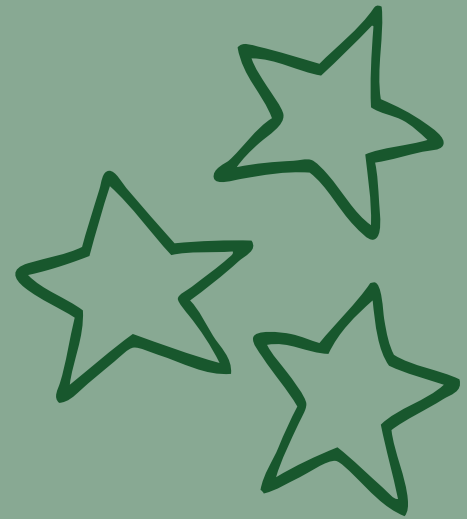

Fred has helped grow scholarship endowments through his personal commitment. He is also remembering DACC through a charitable remainder unitrust as a member of the Mary Miller Society. As he says, “She was a great lady. I’m honored to be in her Society.”

Fred served for a number of years on the DACC Foundation Board and fondly recalls his volunteer service on the scholarship-selection committee. “I’ll never miss an Honors program,” he says. “I really enjoy meeting students and hearing how DACC is helping them achieve their life goals.”

Seeing Mary Miller’s dream continue to thrive today gives Fred a special thrill. “I believe strongly in Ms. Miller’s community-college concept and that we’re incredibly fortunate to have a college like DACC.”

As to why he gives: “The answer to that is right there in the title of Ms. Miller’s book—*A Chance for All*. DACC gives people a chance for a better life, and they wouldn’t have that opportunity if the College wasn’t here.”

# DACC ANNUITANTS CELEBRATE 15 YEARS OF SCHOLARSHIPS

In September of 2002, a group of DACC retirees got together and decided to become a chapter of the State Universities Annuitants Association. SUAA's purpose is to protect and improve the benefits of SURS active and retired members and their survivors.

At the top of their list of goals was to sponsor a scholarship for a DACC student. DACC Charter Member Martha Kay volunteered to collect anecdotes of the early years of DJC/DACC for a companion volume to DJC's Founding President Mary Miller's *A Chance for All*. This new book *A Second Chance* would be an unofficial, "oral" history and a fundraiser for DACC-AA's scholarship. Fellow DACC-AA charter members Barb Stover, Tom Kukla, Peggy Gardner, and Marilyn Satterwhite assisted with organizing the chapters, typing, and laying out the book. This book contained stories that buzzed among the faculty and staff: For example: "Miss Miller used to count the paper clips before she distributed them."

The book was published on May 1, 2004, and 129 copies were sold for \$10 with all proceeds (\$1,290) going to the DACC-AA Scholarship fund.

The first scholarship awarded in 2005 -- for \$200 -- went to Stephanie Garrett. She continued her education at SIU Carbondale as a theater major with a minor in Marketing.

The group's second fundraiser on June 10, 2006, was a garage sale that made \$645.35. Many DACC-AA members have continued to contribute to their scholarship fund annually.

DACC-AA has funded and awarded a scholarship every year since 2005 to deserving students. After an anonymous donation of \$10,000 to the fund, the Annuitants now award two annual scholarships.

Pictured here with DACC-AA Scholarship Chair Maggie Hoover (Right) are 2020-21 recipients Kayla Ellison (top) and Christopher Elliott (bottom). Each received \$550.

# DACC Foundation Honors Program Goes Virtual In 2020

Thanks to the crowd-size limitations imposed to prevent the spread of COVID-19, the DACC Foundation hosted a "virtual" Honors Program to honor scholarship donors and recipients this year.

Produced with the assistance of the DACC Video Production office, the Virtual Honors Program premiered on YouTube on Friday, September 18, at 10:00 am.

Alec Schaumburg (L) and Morgan Harding (R) gave student testimonials during the Virtual Honors Program. Alec is a 2nd Year Presidential Scholar in the Engineering program. Morgan is in her second year of the Radiologic Technology program.

2020-2021 By the Numbers  
553 scholarships awarded = \$650,700

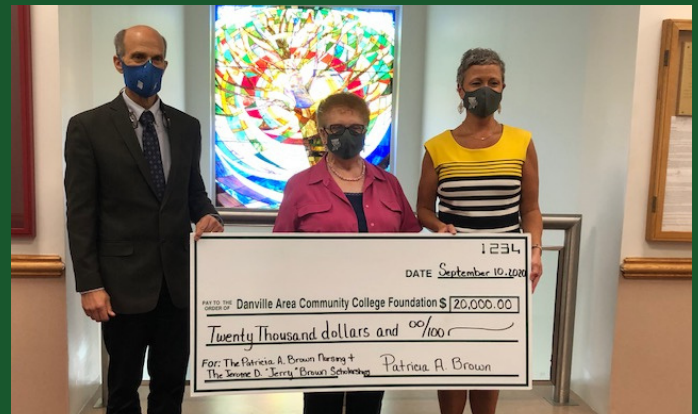

Never fear, if you missed the premier you can still see the full ceremony at one of the following sites:

## DACC Food Pantry Update

The DACC Food Pantry received over 1500 pounds of food throughout the year thanks to donations from our generous donors.

These donations allowed the Food Pantry to be utilized 807 times, serving more than 380 students and families.

Meijer-Danville graciously gifted \$1000 worth of gift cards to benefit the DACC Food Pantry. John Kincaid, Store Director presenting Tonya S. Hill, Executive Director with cards (above)

The Foundation purchased 600 pounds of food from the East Central Illinois Food Bank on August 17, 2020. Additionally, the Pantry was given another 190 pounds of free snacks.

Using 190 pounds of free snacks from the East Central Illinois Food Bank, the Foundation purchased baskets and set them around campus as free snack baskets for students.

Pictured (above) is 790 pounds of food in the back of DACC Dual Enrollment student/volunteer Mac Hill's truck.

# Remembering the Legacy of Julius W. Hegeler II at DACC

Julius W. Hegeler II left an idelible mark on the Danville Area Community College campus, its students, and those who were privileged to work with him as a Foundation Director from 1974 to 1990 and again from 2009 to 2018. Though we lost Mr. Hegeler when he "folded his wings" in July, 2019, we were pleased to be able to show him our appreciation in 2018 with an Honorary Degree from the College and by naming him an Emeritus Foundation Board Director.

Below, we celebrate Julius W. Hegeler II and the Julius W. Hegeler II Foundation for the many years of dedication to DACC and his many contributions to the beauty of its campus. His generous gifts totaling \$6,511,650 leave a legacy of generosity and kindness that will live on at DACC forever.
