GENERAL INFORMATION
The College for Kids program first began in 1980 as a means to provide educational opportunities for children during the summer months and help them grow accustomed to life on a college campus. The philosophy of the Summer Enrichment Program is to provide fresh and fun subject matter to motivate children and keep them challenged and their minds active over the summer months.

DROP POLICY
If you need to drop from the program, for any reason, you must do so at least five business days prior to the start of class. If proper notification has been given, a full refund will be issued. No refund will be given the week prior to classes starting.

COVID POLICY
Enrollment is limited in each camp to ensure social distancing. Safety checks will be conducted at each building entrance. Masks must be worn while in the building.

REGISTRATION
To ensure you get the camps you want be sure to register online: daccommunityed.coursetorm.com
You can also fill out the registration form on the back of this brochure and mail it in with payment, but there is no guarantee the camp will be available. Registration opens April 1. Registration ends the Wednesday prior to the start of College for Kids. Classes are filled on a first-come first-served basis. There will be no waiting lists for classes. Register early to ensure you get the classes you want.

DROP OFF/PICK UP
Drop off your child at their camp location a minimum of ten minutes prior to the start of class. Teachers will not be arriving in their classrooms for early drop-off. Please be prompt when picking up your child.

Minecraft—ages 8-11
2 Sessions: June 14-18
9:00-11:30 & Noon-2:30
Cost: $100

This camp challenges kids to imagine and create a cohesive world in Minecraft over the course of the week. Design a world around a theme, and brainstorm what it should contain, then design and build the structures and environments of that world. They will learn how to add redstone and command block features to add automation, game mechanics, challenges and hidden bonuses. The level of this class is very flexible. Held in Clock Tower Center room 005.

Gaming Camp—ages 10-17
July 5-8 from 9:00-noon
Cost: $100

Did you know that you could actually earn a college scholarship playing video games? Welcome to the world of competitive collegiate eSports. Come check out DACC’s new state-of-the-art eSports gaming lab. Find out how fun it can be to compete with a group of people using gaming PCs. Join us as you make new friends and learn about new games. Enjoy playing Rocket League, League of Legends, Smash and other games. Held in the lower level of Clock Tower room 005.
Students will be broken up into groups based on skill level. Work on all the fundamentals of basketball: including shooting, passing, defense, dribbling, rules of the game, and good sportsmanship. Held in the gym at Mary Miller.

25th Anniversary Sports Media Camp
June 21-25 from 1:00-4:00pm
Cost: $75
It starts here, a career in the Sports Media Business. Participants will be instructed by members of the Neuhoff Media staff with special guests coming from the biggest jobs in broadcasting and digital sports media. Actual experience will consist of interviewing, play-by-play, sports writing, video editing, public address announcing, TV studio work and even broadcast an actual Danville Dan’s baseball game live from Danville Stadium. This is a nationally recognized summer program that has past participants working in the NFL, MLB, radio, TV, digital and social media positions around the country. It’s the longest running program of its kind in the country! The Sports Media Camp is for girls and boys entering grades 7-12. Held in Mary Miller Room 300.

FREE Career Camp
June 7-11 from 8:00-11:00
Experience a variety of career pathways such as culinary arts, construction trades, computer graphics, criminal justice, health occupations, and horticulture. VVEDS Career Camp is five exciting days of exploring and introducing camp goers to career courses. Camp goers will have the opportunity to gain an understanding of the work environment, support work readiness and gain job related knowledge and skills. Sponsored by the Vermilion Vocational Educations Delivery System. For students who just completed grades 5-7. Held at DACC.

Basketball Camp
ages 9-18
June 7-11
from 9:00-Noon
Cost: $50

Wild for Drones—ages 11-14
June 7-11 from 9-Noon
Cost: $100
This summer camp is designed for both beginners and experienced drone pilots. We will spend the week learning basic drone safety, how to operate a drone manually and how to code flight paths using DroneBlocks software. Students will have plenty of flying time and practice with a DJI Tello. Our campers will also get the chance to experience the DACC Ag Department’s DJI Phantom and “Steve” our DJI M200 drone, which are utilized in various industries in-
WELDING TECH—ages 13-18

**Level 1—Beginner**
June 7-11 from 8-Noon  
**Cost:** $150

Get hands-on experience in this high-demand technology field. You’ll experience first-hand what it’s like to be a welder in the state-of-the-art welding lab at DACC. Learn how to join two pieces of metal with a 10,000°F arc! This camp is perfect for 4H students wanting to submit a welding project for the fair. All necessary criteria will be met. Take home all of your creations. Held at the Technology Center Room 139.

**Level II**
July 19-23 from 8-Noon  
**Cost:** $150

Must complete level one to participate in this camp. Build upon the skills you learned in the first camp to create your very own custom project. Held at the Technology Center Room 139.

Car Camp—ages 14-18

July 20-22 from 9-11:00 and July 23 from 3:00-8:00  
**Cost:** $75

Do you want to learn more about caring for your vehicle? Learn how to perform a safety inspection of your vehicle and get hands-on experience changing the oil and rotating the tires. You’ll save money by learning essential car maintenance skills. On Friday you will take a field trip to the U.S. 41 Drag Strip in Morocco, Indiana to watch the DACC race car in action.

I LOVE STEM!——Ages 8-10

Session 1: June 14-18 from 9-Noon 
Session 2: June 14-18 from Noon-3:00  
**Cost Per Session:** $100

Session 3: July 12-16 from 9-Noon  
Session 4: July 12-16 from Noon-3:00

Get ready to explore the world of STEM Technology. You’ll be performing experiments all week, learning how and why things work, and using reasoning and problem solving to building objects. Building and program robots that you create with Legos ©. This is a hands-on camp so bring your brain power and be ready to focus. Camp is held at Bremer Conference Center Rooms 140 and 141.
Future Thespians—ages 12-16
June 21-25 from 9:00-10:30
Cost: $75
Have you always wondered what it was like to perform in front of an audience? Then this theater class for beginners is perfect for you. During camp you will work on stage presence, improvisation, props, and voice projection. Enjoy standing on the Fisher Theater stage where hundreds of actors have stood before. You will present a mini play to friends and family at the conclusion of camp. Held at the Fischer Theater.

Art Studio 101
Creating the Artist of Tomorrow
June 21-25 from 12:30-3:00
Ages 8-14
Cost: $100
Have fun in the Danville Area Community College art studio while exploring a range of media and techniques. This week-long camp is designed for inspiring artists who want to explore different mediums. Bring your creative spirit and enjoy a week of creating art. Held in the Clock Tower Art Studio Room 011.

Explore Pottery
July 19-23 from Noon-2:30
Ages 10-14
Cost: $100
Wrap your hands around a three-dimensional project that you completely design and create. Come use the pottery wheel, hand-build pottery and make sculptures. Learn basic skills for sculpting and manipulating clay with pinch, coiling, and slab techniques. All work will be glazed and fired in the kiln. All pieces will need to be picked up at a later date. Located in Clock Tower room 117.
Hip Hop/Commercial Music Camp
July 26-30 from 12:30-3:30pm
Cost: $100

Students ages 10-17 can join us during this exciting new camp where it’s nothing but creating music. Learn how to make beats, create and mix new samples, and record audio. Spend the week in the state-of-the-art DACC Creation Studio where you will use keyboards, DJ turntables, sound recording/editing software on iMacs. You’ll also get instruction on songwriting. Held in Clock Tower room 003.

First Gig Rock n’ Roll Camp
June 21-26 from 9am-5pm
Cost: $250

If you’re between the ages of 10-17 and you have a desire to play guitar, bass, drums, or be a lead vocalist then this camp is perfect for you. You don’t have to be an expert or even have played before. You will be taught everything you need to know to perform live on stage. Your first gig will be held on the last day of camp. All participants will be working with professional musicians who have worked in their specific discipline for years. Held in Bremer Conference Center on campus.

DJ Mix-a-Lot—ages 10-17
July 26-30 from 9-Noon
Cost: $100

Learn the basics of blending songs and making beats while learning the business and technical side of what it takes to be a working DJ. Campers will each get hands-on experience working with DJ controllers and Serato Pro. We will be discussing all avenues of DJing from club work, public events, parties, radio and sporting events. Each camper will get their own DJ rig to use for the week. Held in Clock Tower room 003.
DACC Master Baker

You’ve watched the kids baking championship on TV and now it’s your turn to get into the kitchen and start baking. You will learn how to create delicious sweet treats along with some decorating tricks. Do you wonder what mascarpone and fondant are? Why would you have to sift flour? And how do you make sweet buttercream frosting? Come find out. When you take the skills, tips, and tricks you learn during this camp you’ll be on your way to becoming a master baker. Held in Bremer Conference Center Culinary Kitchen.

DACC Master Baker

July 12-16
9:00-11:30
Ages 8-12
Cost: $125

Video Production
June 14-17
9:00-Noon
Ages 10-14
Cost: $100

Light, camera, action: literally. Produce your very own newscast starting with writing the scripts, reading from the teleprompter, running cameras, and directing the show. You’ll also shoot video around campus and create your own commercial. Enter into the digital world of video production. Held in the lower-level of Clock Tower Center room 001.

Video Editing
June 21-24 from 9:00-Noon
Ages 10-14
Cost: $100

We’ve all watched cool videos on YouTube. Now it’s your turn to create them. Learn how to take video off your phone and edit the footage. We will cover all the basics of video editing including cutting, adding graphics and transitions, doing voiceovers and adding sound effects and music overlays. If you want to continue your editing skills at home we will show you a high-end video editing programs so you can continue to film and create. Located in room 001 Clock Tower.
