

Lunch & Learns

The Community Education Lunch & Learns will be held in the theater at Bremer Conference Center, unless otherwise specified. To allow for proper social distancing we ask you sit in the arranged seating, and we ask that you wear your mask.

Please continue to abide by the social distancing guidelines, your safety is our top priority.

We also ask that you register for all Lunch & Learns at least one week in advance. Lunch & Learns start at 11:30a.

Thank you for continued support and patronage. We appreciate you!

Galapagos Islands

The Galapagos are a paradise for turtle, bird and animal watchers. The National Park system tries to keep the commercial fishermen out, but the local people can fish for themselves. A big task is to eradicate the goats, dogs, cats, donkeys, and rats that have infested the islands.
