Computer Classes

For Beginners Only

If you have little or no computer experience, this is the course for you. Topics include: terminology (learning the lingo) and components of a computer system. Hands-on lessons give students experience with basic windows system operations such as creating and saving files. Basic word processing, email and surfing the web are included. Hands-on demo includes digital photos, burning CD's, and flash drives.

M-F, Jan. 13-17 from 9-11:30am

T, March 3-24 from 5:30-8:30pm

TH, May 7-28 from 5:30-8:30pm

Location: Village Mall

Fee: \$96

Word—Level I

The course will give students a thorough understanding of the features of Microsoft Word. Students will be able to create, edit, format and print Word documents that include outlines, tables, styles and sections. Other essential topics including printing, saving and retrieving files. Students will create a newsletter that uses columns, drawings and object linking and embedding.

TH, February 6-27 from 5:30-8:30pm

T, April 7-28 from 5:30-8:30pm

Location: Village Mall

Fee: \$96

Quick Skills

Do you need to brush up on your computer skills? Yes? Then this is the course for you. We will start with the basics in Computer Understanding, move to Word 1 and progress to Excel and PowerPoint Basics and end with the basics in Publisher.

M—F 5p-7p March 23-27, 2020

DACC Campus

Fee: \$80

Excel—Level I

This course will give students a working knowledge of electronic spreadsheets. Students will be able to create and format Excel spreadsheets that include charts and multiple worksheets. Students will be able to create and execute formulas and do calculations with ease by using the Excel functions. Data sorting and manipulation are also covered. Students will learn to work with the Workgroup features of Excel. Students will learn to import data into an Excel spreadsheet and will work with the data using the data management functions of Excel.

T, February 4-25 from 5:30-8:30pm

TH, April 2-23 from 5:30-8:30pm

Location: Village Mall

Fee: \$96

Windows 10

Welcome to Windows 10, the completely new operating system from Microsoft, which offers a more robust, more powerful, and completely unique computing experience. In this course, you will gain the foundation you need to get started right away using Windows 10. File Explorer can help you manage your files and create basic text documents using WordPad. From to finding files and folders, to organizing and editing photos, to managing files on external drives, you will learn everything you need to know about getting the most from this operating system. And since security is important, you will also learn how to protect your files, as well as how to protect and update Windows 10 .

M, February 3-10 from 9-Noon

M, March 2-9 from 5:30-8:30pm

Location: Village Mall

Fee: \$55

Internet Research and Online Learning skills

This class will help you learn how to do on-line "credible" research and will also walk you through online course examples if you are thinking about doing online classes.

T, January 7 from 5p-7p

TH, February 6 from 1p-3p

DACC Campus \$25

PowerPoint

Discover the enhanced features of PowerPoint 2007 and use these to quickly create eye-catching presentations. Explore the possibilities available with the new layouts, themes, galleries, and background styles. Practice using the ribbon, contextual tabs live preview and dialog box launcher when creating and modifying presentations. Use the new Smart Art feature to dramatically present your information.

W, January 8-29 from 5:30-8:30pm

M, April 6-27 from 5:30-8:30pm

Location: Village Mall

Fee: \$96

Publisher

Want to know how to be creative and have fun with Graphics and save a lot of money in the process? Then learn more about Microsoft Publisher. You can do all kinds of graphic creations, such as: how to create brochures, business cards, calendars, catalogs, certificates, and more.

TH, March 5-26 from 5:30-8:30pm

TH, June 4-25 from 5:30-8:30pm

Location: Village Mall

Fee: \$96

Staying Active

DACC Walking Club

Get out and enjoy beautiful Vermilion County. Each month we will take a DACC mini-bus to visit a different town in Vermilion County. We will walk a designated route of approximately one mile around that town. At each town we will have an ambassador that will walk with us and share interesting facts about their hometown. After our walk we will enjoy lunch at a local restaurant. Cost includes transportation. Weather permitting we will walk the last Monday of every month. We will depart from the college at 10:00am.

Cost: \$5

Boot Camp

This course will help students get into shape, reduce stress, increase energy, and build confidence. In Boot Camp Fitness students will learn how to properly warm up and cool down, exercise at high intensity using calisthenics, plyometrics, strength workouts, dumbbells, medicine balls, agility ladders, obstacle courses and much more.

Instructor: Hannah Ohl

T,TH

March 9—May 14

8 weeks

Location: Mary Miller Dance Studio

Fee: \$99

Yoga

This class offers knowledge and skills to keep fit for life. In particular, this class introduces the values and skills of Hatha Yoga (Yoga of exercise) to the beginning student and offers opportunities to expand knowledge, applications and skills in routines for the experienced student. A typical class will include breathing techniques, meditation, chanting, and asana practice, including standing, balancing, and inverted poses. Students are encouraged to understand their own limitations and work within their bounds.

Instructor: Hannah Ohl

8 weeks

Fee: \$128

College Preparation

Understanding College Testing

This workshop has been developed for parents of high school students who are looking for answers about college entrance exams. The State of Illinois recently changed to the SAT requiring high schools to administer the SAT rather than the ACT. What does this mean for your student? Will colleges and universities still accept the ACT? Not sure about understanding scores and what the difference is between the two tests? What are the advantages of taking an ACT/SAT preparation class? Get the answers to all these questions and more.

W, January 22 from 6:00-8:00pm

TH, March 9 from 6:00-8:00pm

Presenter: Judy Turner

Location: DACC Village Mall

Fee: FREE

College Readiness

Do you think you're fully prepared to enter college? Are you ready for the demands and the freedom of college life, do you have the study skills and work ethic? This class will help you understand what it takes to be successful in college. Learn what you have to do in high school to prepare for success in college. You will also learn about the college admission process, the ACT and SAT tests, and financial aid including information on filling out the FAFSA and applying for scholarships.

TH, February 6-13 from 5:30-7:30pm

Wednesday, February 12

Mexico's Byways – Monarch Reserve to Copper Canyon

Monarch butterflies leave the US in the fall to overwinter high in the mountains near Mexico City. Travel with us to see thousands of them in their temporary home in Mexico. Marvel at the huge groupings that cluster among the trees. Copper Canyon is Mexico's Grand Canyon. Along the byways, see rattlesnake skins for sale; the charming city of Taxco known for its scenery and silverworks; Morelia with buildings made from local pink stone; and finally, Monterey, the former Disneyland for spring breakers.

Tuesday, March 17

Aruba, Cartagena, San Blas Islands, Panama Canal, Costa Rica, Acapulco, and Cabo San Lucas

Tourists love Aruba's reliably dry and warm climate. Cartagena, Colombia retains, founded 1533 by the Spanish retains its old world charm. San Blas Islanders meet our ship in their dug out canoes. Take a trip through the Panama Canal and learn about its engineering marvels. Costa Rica is a nature lovers paradise. See the Cliff Divers of Acapulco. Cabo San Lucas is a rapidly developing tourist location.

Thursday, April 16

Alaska

Alaska is huge and varied. Take Alaska's Inside Passage to see glaciers, mush on a dog sled ride, see the start of the Iditarod Dog Sled Race, pan for gold in Anchorage, fly north above the Arctic Circle to the oil fields around Dead horse on Prudhoe Bay; follow the Alaska Pipe Line for 300 miles; travel on the Yukon River, and end at Mt. McKinley (Denali) National Park.

Monday, May 11

Portugal

Portugal is a small European country famous for its explorers of the 1400's and 1500's. Henry the Navigator, Vasco Da Gama, and Pedro Cabal contributed much to exploring beyond Europe. Portugal has long produced cork for wine bottle stoppers and crafty items. Visit a cork farm and wine distillery. We will see the old world elegance of the Palaco de Marfra and visit the residence of the last king of Portugal. In Fatima, we see the tombstones of the three children who saw the Marian Apparition in 1917. Travel to Cape St. Vincente, which is the western most point of Continental Europe.

With Purpose Lunch and Learn Series

Bus will leave from the front parking lot of DACC. Must preregister a week in advance.

F, February 28

\$30

Funks Grove Maple Syrup Shirley, IL.

Part of Route 66 and the First Maple Syrup Producers with a long-standing family tradition of syrup making among the Funks of Funks Grove. However, the sweet benefits of the maple trees that grow in this native timber were likely enjoyed long before the Funk family settled here. History has it that Native Americans were the first maple syrup producers. They used maple sugar to season their corn and other vegetables and poured maple syrup over their fish and meat. Following is one of the many legends of how maple syrup was first discovered.

Lunch on your own at Cracker Barrel.

W, March 4

\$45

Lori's Pins and Needles

Dental Assistant Program

During this program you'll learn about every aspect of professional dental assisting, including invaluable real-world perspectives from experienced dental assistants and essential information about anatomy and physiology, preventive dentistry, patient care and communication, radiology, pharmacology, anesthesia, assisting in specialty practices, employment strategies, and much more. Toward the end of our Clinical Dental Assistant course—or after completion—you will have the opportunity to apply for our Externship Program, where you'll get real-life clinical assistant experience. You'll also be ready to pursue certification as a dental assistant by passing the radiology and infection control portions of the Dental Assisting National Board examination. This program is a self-paced, online course. It takes six months to complete and is open enrollment so you can begin anytime.

https://careertraining.ed2go.com/dacc_cce/training-programs/clinical-dental-assistant

You must pay when you register. This is not Financial Aid eligible.

Please call for more information.

Health Safety

Stop the Bleed

The “**Stop the Bleed**” campaign was launched to provide bystanders of emergency situations with the tools and knowledge to stop life threatening bleeding. Working with the private sector and nonprofit organizations, the “Stop the Bleed” campaign will put knowledge gained by first responders and our military, into the hands of the public to help save lives.

For more information on these efforts and how you can get involved in the “Stop the Bleed” campaign, please visit dhs.gov/stopthebleed.

Instructor: Randy Vollmer

If you are interested if bringing this workshop to your place of business please contact Community Education at 217-554-1668.
