- **Extraordinary Leader: Going From Good to Great!™** *March 20*

Learn to demystify the journey from good to great, while exploring five key insights about great leadership. Explore the difference between good leaders and great leaders discover the 16 competencies of high performing leaders.

- **Shaping A Motivational Workplace™** *April 2*

Regardless of gender, age, ethnicity, culture, or life experiences, everyone shares these three psychological needs: Competence, Relatedness and Autonomy. Leaders realize these benefits by creating conditions that support these needs.

- **Leading Across Boundaries™** *April 16*

Generate more effective collaboration among functions, divisions, and teams as well as suppliers, partners, and customers and create a compelling context for cross-boundary endeavors so that people will want to work together.

- **Correcting Performance Problems™** *April 30*

Leaders need to be equipped with the skill and confidence to take prompt and constructive action when faced with performance problems. In this module, you'll learn a conversational approach to turn performance problems around and tap into the self-motivation and ownership required for lasting results.

- **Dilemma Management™** *May 14*

A strategic tool, not only for leaders, but also for teams, work groups, to apply a focused, collaborative approach for analyzing complex business issues where there is no "right" answer or "best" solution, but two opposing positions each with distinct advantages and disadvantages.

- **Work Of Leaders™ (DiSC)** *June 4*

Approaches leadership as a one-to-many relationship, as opposed to the one-to-one relationship explored in *Communication Excellence: Managing Performance with DiSC*. It focuses on tangible steps directed at leading a group or organization toward desired outcomes.

Series cost is only **\$1,350 per person for all SIX classes!**
