- **COMMUNICATING FOR SUPERIOR TEAM-
WORK: MANAGING YOUR COMMUNICATION
STYLE™**

In this class we will explore the essence of teamwork – effective communication. This program employs the Classic DiSC instrument to provide participants with a better understanding of their own communication style. **July 28**

- **BUILDING TRUST UNDER PRESSURE™**

Leaders with solid foundational leadership habits for building productivity and strong working relationships. Participants learn and apply six Basic Principles, universal leadership guidelines. **August 11**

- **COMMUNICATION EXCELLENCE: MANAGING
PERFORMANCE WITH DISC™**

Using the Everything DiSC Management Profile we explore the differences between communication styles and develop specific plans to deliver messages in the most effective means possible. **August 25**

- **GIVING NEEDS-BASED FEEDBACK™**

Skill in giving feedback helps leaders support the internal motivation of employees to grow their knowledge and expertise. **September 8**

- **REALIZING TALENT IN OTHERS™**

Realizing Talent in Others™ helps leaders match the employee's natural need to demonstrate competence with the organization's need to succeed. Recognize the psychological needs of individuals, and incorporate leadership behaviors to support them. **September 22**

- **RESOLVING CONFLICTS WITHIN YOUR
TEAM™**

Effective leaders understand the impact conflict can have on a team and put processes in place for dealing with it, either by intervening directly or helping team members resolve conflicts on their own. **October 6**

- **MANAGING YOUR PRIORITIES™**

Gone are the days of "doing more with less." Today, we must "do everything with nearly nothing" and the new "as soon as possible" is "now." No wonder priority management is itself a pressing priority! Traditional time management is no match for these challenges. **October 20**

- **OFFERING REWARDS & RECOGNITION™**

Offering Rewards and Recognition™ helps participants to use rewards effectively and to apply a simple process for offering recognition. The payoff of these skills is improved employee engagement, performance, and results. **November 4**
