

DACC Corporate Education adheres to the latest CDC guidelines for Covid-19.

Safe practices implemented to ensure safety of training participants include:

- Brief health screen with temperature check upon entry to campus
- Socially distanced training room set-up with limited number of participants
- Face coverings required when 6' social distancing cannot be maintained
- Availability of disinfectant wipes, hand sanitizer and face masks in training facilities

Do You Have a Need for Workforce Training? Submit a Request to DACC!

It is a goal of Danville Area Community College's Corporate Training Department to enhance the economic well-being of the community by providing training to business and industry. To assist you in meeting your training goals:

- A DACC Training Coordinator can meet with you to evaluate your unique business challenges and suggest training solutions.
- A training proposal will be presented.
- Using experienced faculty, trainers and customized materials, training can be delivered at the time and location of your choice.
- DACC will connect employers to funding opportunities for qualified training.
