

**THIS IS A CAREER DEGREE.  
IT IS NOT DESIGNED TO TRANSFER TO A FOUR YEAR UNIVERSITY.**

**Danville Area Community College  
2017-2018**

**Fire Science**  
Associate in Applied Science Degree

The Fire Science curriculum is designed to give students the academic background and initial training for careers in fire fighting. To be eligible to participate in the DACC Fire Science program, an individual must be engaged in fire fighting in an organized Illinois fire department as a fire protection person according to the Act, as attested to by the employing Fire Chief of the individual seeking participation. This is an occupational program typically not designed to transfer; however, this program has been articulated to some senior institutions. Please contact a counselor for specific details. Individuals interested in the Fire Science program should complete an application to the program. To get an application please contact the Liberal Arts Division at 443-8724. Fire Science classes are offered when there are enough applicants to form a cohort.

***First time degree seeking students must complete INST101, Success in College, as a requirement for graduation.***
