DISTRICT

DACC is located in Danville, Illinois, 125 miles south of Chicago, 35 miles east of Champaign-Urbana, and 90 miles west of Indianapolis.

ONLINE DEGREES AND ACCREDITATION

DACC offers more than 100 online courses in Transfer, Career, and Basic Skills programs. The Higher Learning Commission of the North Central Association of Colleges and Schools has granted DACC approval to offer online degrees and certificates.

STUDENT LIFE

DACC boasts a number of student academic, athletic, political, social, and vocational organizations. Athletic scholarships are available in most sports. A large percentage of DACC athletes successfully continue on to four-year schools with athletic scholarships.

DUAL ENROLLMENT

Eligible students may earn college credit while still enrolled in high school. DACC offers many dual enrollment opportunities, both on campus and in area high schools. In addition to traditional dual enrollment credit. The College offers 16 College Express career programs to area students as well as a Middle College for juniors-seniors at risk of not graduating from high school.

FINANCIAL AID

Financial assistance is available in the form of scholarships, grants, loans and part-time employment. More than half of the student body receives some type of financial aid each year.

The in-district tuition rate at DACC for the 2018-2019 school year is \$140 per credit hour. An additional \$15 per credit hour is charged as a technology and activity fee. At this rate, the average full-time student taking 15 credit hours would pay \$2,325.00 per semester, or \$4,650.00 per year. Additional fees and book costs vary based on courses chosen.

DACC offers Associate in Science and Arts degrees (ASA) or Associate in Engineering Science degrees (AES) in 50 baccalaureate/transfer majors. Students can earn Associate in Applied Science degrees (AAS) in any of more than 25 two-year career programs; or those looking for a more general, non-transferable degree may pursue the Associate of General Studies (AGS) degree. There are also more than 30 certificates to provide entry-level skills in these same career programs. Nursing students can enter a ladder program and become a Certified Nursing Assistant (CNA), Licensed Practical Nurse (LPN), or Registered Nurse (RN) with an Associate Degree in Nursing (ADN). Students not yet ready for college courses will be placed in Developmental Education classes which prepare them for advanced coursework. Adult Education courses, GED Review and English as a Second Language, are available for those who did not complete a traditional diploma or who need help with English skills. Community members may participate in the Readers' Route Family Literacy Program.

FACULTY

Full-time faculty members teach almost 70% of the courses with the remainder taught by highly qualified part-time instructors who are considered experts in their field. 89% of the full-time faculty members at DACC hold a Master's degree or higher. Individualized attention to student needs is accomplished with small class sizes, averaging 15-20 students per class.
