D. Standards of Academic Progress (SAP) Summary:

- Students receiving Federal or State Financial Assistance must complete 67% of their Cumulative Attempted Hours. You must also maintain a Grade Point Average (GPA) of 2.0. If you do not meet these standards, you will be placed on financial aid probation or suspension.
- Students receiving Federal or State financial Assistance are restricted to receiving assistance for 150% of the cumulative credit hours that the DACC College Catalog states it takes to get your degree or certificate. Once you reach the 150% Cumulative hours, you are no longer eligible for Federal or State Assistance.
- Please see the DACC Financial Aid Website at www.dacc.edu/finaid for complete Standards of Progress.

Return of Title IV Funds Summary:

- Students receiving Federal Student aid must complete the credit hours enrolled in for each semester. If a student **withdraws from ALL classes** they are enrolled in for the current semester, the Department of Education mandates that a school process a **RETURN OF FUNDS**. This means that you may owe all or part of the financial aid you are awarded back to the Department of Education. If a Return of Funds is calculated and you owe a balance to the school, you will not be allowed to reenroll for the upcoming terms, receive your transcripts, and may be subject to collection procedures if the balance due is not paid in full. Please work with the financial aid office and notify us if you are withdrawing!

Financial Aid Disbursements:

- Financial aid is disbursed to student accounts 10 days prior to each semester starting. Once aid has been disbursed to the account, a student may use this balance to charge books and supplies at the DACC Bookstore. After all charges have been applied, student refunds are mailed out to the students. Please see the Financial Aid Website at www.dacc.edu/finaid IMPORTANT DATES for refund dates each semester. Federal Stafford Loan proceeds are released to the student approximately 30 days after the start of the semester.

PLEASE READ: DACC performs 100% verification on all financial aid applicant's files. In this process, we will be comparing information from your application with signed copies of your and your household's 2017 Federal tax information or other financial documents. The law says we have the right to ask you for this information before awarding federal aid. Your school must review the requested information, under the financial aid program rules (CFR Title 34, Part 668). If there are differences between your application information and your financial documents, you may need to send in corrections on your Student Aid Report (SAR), or your school may send corrections electronically, to have your information reprocessed.

We can no longer accept copies of the federal 1040's, only tax return transcripts are accepted. Call 1-800-908-9946 and request a tax return transcript 2017 from the Internal Revenue Service. If you and/or your spouse/parent earned income in 2017 but did not file, submit copies of your W2 forms AND call 1-800-908-9946 and request a letter of non-filing for year 2016 from the IRS.

What you should do:

1. Based on your dependency status, collect your and your parent or spouses financial documents where applicable.
2. Fill in and sign the worksheet. (Return it to our office as quickly as possible to avoid delays.)

3. Take the completed worksheet, copies of tax transcripts, and any other documents your school needs to your DACC financial aid administrator.

4. **Complete verification as soon as possible** so that your financial aid won't be delayed. All verification documents must be submitted by bill due dates or students may be dropped for nonpayment. Failure to supply requested verification documentation will result in aid not being awarded. All verification must be completed by the end of the term or aide will be nulled.

5. Your financial aid file will not be discussed with any person for whom we do not have a FERPA release (section E, #12).

OTHER PERTINENT INFORMATION: Students interested in **College Work Study positions** should complete the application online at dacc.edu/hr. A student interested in Direct Loans (Stafford Loan Program) should complete a Loan Request Form (LRF) and submit it to our office; access this form from the www.dacc.edu/finaid/forms website in the Financial Aid Section, *Forms Listing and Access*. Each LRF will be individually evaluated for eligibility. Loan certification deadlines are posted at the DACC financial aid web site.
