Humanities or Fine Arts elective	3
Fine Arts Elective	3
Total	16
<b>Fourth Semester (See Note 3.)</b>	

Elective	3
Elective	3
Elective	3
Elective	3
Total	12

### **Admission Criteria to the Special Education Program**

*(Admission to the University does not guarantee admission to the Special Education program)*

1. Transfer students need to have a minimum cumulative GPA of 2.7 (4.0 scale) or higher for admission into this program.
2. Obtain a grade of C or better in Rhetoric 101 and 102, and Speech 101 or 102.
3. ISU recommends that community college students transfer after their third semester. Students must be at ISU a minimum of 2.5 years to complete the program.
4. ISU recommends completing all general education electives at DACC, especially math and science. They will not be easier at ISU. Time management and organization skills are a must! ISU highly recommends observation at schools prior to beginning the program. The program is costly and demanding, and ISU recommends planning ahead for this.
5. ISU recommends that students transfer to ISU after 3 semesters @ DACC. You can then transfer back credits to get your Associates degree.

### **To become a licensed/certified teacher in the State of Illinois, an individual must pass at least three state exams:**

1. As of June 30, 2019, the Test of Basic Skills is no longer required to obtain an educator licensure. This includes the SAT and ACT exams. For more information, visit <https://www.isbe.net/Documents/SB1952-Test-of-basic-skills.pdf>. Students will still need to pass the edTPA and content tests in the relevant subject and grade they intend to teach.
2. Assessment of Professional Teaching Skills Test (APT)
3. Content Area Test
4. For additional information: <http://www.icts.nesinc.com>

### **Notes:**

1. Students can meet ISU's Global Studies graduation requirement by completing POLI 160, GEOG 134, or ANTH 107 as a DACC social science requirement. If a different social science elective is completed, the Global Studies requirement must be met at ISU. There are dozens of courses to choose from in this area once the student is enrolled at ISU.
2. Recommended Physical Sciences: CHEM 100, CHEM 101, PHYS 101
3. MATH 161, MATH 125, MATH 120 or another Quantitative Reasoning course are ISU graduation requirements. Student may take MATH 115 at DACC to fulfill DACC requirements for the ASA, but will likely have to take another course at ISU. ISU offers more Quantitative Reasoning courses.
