

ATD Teaching & Learning Sub-team
Tuesday, February 13, 2018 @ 2:30 p.m.
Laura Lee Room

Present: Dave Kietzmann, Rebecca Doss, Kathy Sturgeon, Dr. Ruth Lindemann, Dr. Stefanie Davis, Jen Slavik, Amber Anderson

- Evaluation results from the January Teaching Excellence Academy were reviewed. Overall, responses were positive and most faculty showed interest in exploring open educational resources at some level, but this will take time. Kathy mentioned the need to build a list of faculty that are recommended for presentations. Ideas for ways to approach recommendations were discussed. The possibility of creating an awards approach was discussed as a way of recognizing faculty for their excellence and having them share best practices. The possibility of asking the Deans to have conversations with faculty privately and asking them to present was also discussed.
- Growth mindset is the topic planned for August 2018. A professional speaker on growth mindset is being researched by Ashley Hargrove. More information will be provided at the next meeting. If the professional speaker is not the right fit, Amber Anderson & Marji Larson are recommended to present at the session.
- Critical thinking has been chosen as the session that will follow growth mindset. Research provided by Dr. Ruth Lindemann will be discussed at a future meeting. Team members were asked to read the articles in the next two-months.
- A recommendation was made to discontinue the October Teaching Excellence Academy session going forward. Planning for a session needs more time now that each topic is researched prior to selection. Beginning with the 2018-2019 academic year, there will be 2 Teaching Excellence Academy sessions, one scheduled during fall in-service and one scheduled during spring in-service.
- The ATD DREAM conference schedule was reviewed. Ashley Hargrove will attend the conference later this month and has requested feedback from the team of sessions of interest. Kathy will share the recommendations with Ashley.
- Kathy informed the team that Ashley will become more active as a co-facilitator this year.
- Meeting times for the Spring 2018 semester were discussed. Meetings will be held the second Tuesday of each month at 2:30 p.m. (3/13/18, 4/10/18, & 5/8/18)
- An agenda for the next meeting was set:
 - Review ATD coaches' notes
 - Update on mindset presenter
 - Mindset session planning
 - Workshop Topics (Development Time for Techniques)
 - Dream Conference Report
- Next meeting:
