5. Housing at EIU is limited. Students should apply nine months to a year in advance for on campus housing.
6. DACC recommends a three (3) hour course in Third World or Non-Western Culture, either in Humanities or Social Science.
7. Effective Fall 1992, new students or re-entering students absent more than two years and seeking an ASA degree are required to take at least one course with human relations content. See your academic advisor for a list of courses that fulfill this requirement.
8. New Students Fall 1992 should check with their advisor about EIU's Integrated Core of General Education; especially students who do not plan to complete an Associate in Science and Arts degree at DACC.
