Non-Exempt**

**LOCATION:
Onsite**

Do you have a passion for positively impacting your community after acts of violent crimes? Are you hopeful that you can help a victim become a survivor that can thrive after traumatic incidents? Are you looking for a rewarding career that touches lives every day? If so, consider a position as a **Justice Victim Advocate** in the Equity and Engagement Department at the City of Champaign.

Responsibilities of Position

Justice Victim Advocates are civilians who coordinate services on behalf of victims of violent crimes. They provide services through a process designed to ensure justice, coping and healing for victims and their families. They successfully help navigate individuals and families through the criminal justice system beginning with initial law enforcement contact. JVA's use empathy, crisis intervention, trauma informed care and culturally responsive techniques to deliver quality and intensive supportive services. They coordinate with social service providers and serve as a liaison between agencies, law enforcement and other providers. The JVA's require the ability to be flexible as a regular schedule consists of emergency call outs at all hours.

Required Qualifications

- A bachelor's degree in social work, human services, psychology, criminal justice, or a related field.
- Experience in victim assistance or advocacy, victim rights, counseling, criminal justice, or related employment experience.
- An equivalent combination of work experience and education that provides the required knowledge, skills, and abilities will be considered.
- Knowledge of the criminal justice system and victim rights.
- Knowledge of counseling principles and techniques, and/or services and resources.
- Current valid state-issued driver's license and good driving record.
- Ability to communicate effectively with individuals from diverse social, economic, and ethnic backgrounds.
- Availability to occasionally work outside of regular work hours including evenings and weekends and on-call availability on a rotational basis, as needed, to provide 24/7 crisis response to crime scenes, victims' homes, hospitals, and other locations that may include hostile or unknown circumstances.
- Ability to perform the duties of the job including working in crowds and walking or moving around for long periods of time, with or without accommodation.

Preferred Qualifications

- Experience in victim services providing direct support to individuals affected by trauma.
- Experience with non-traditional work hours, on-call responsibilities, or hotline management.
- Knowledge of or experience in trauma-informed responses.

Drug screening, driving abstract, and criminal background check/investigation will be required. The annual starting salary range is \$70,705 - \$80,491, DOQ, plus an excellent fringe benefits package. **Applications must be submitted online no later than Sunday, April 28, 2024.**

The City's mission is to provide responsive, caring, cost-effective service in partnership with our community. The following values guide our work: Personal Integrity, Responsibility, Respect, Teamwork, Results. The City of Champaign is committed to promoting a work environment and a community that values and supports diversity and inclusion.

To apply, visit the City's Jobs Page at champaignil.gov/jobs.

The City of Champaign is an Equal Opportunity Employer. Women, minorities and individuals with disabilities are encouraged to apply. The following locations offer free Internet access and assistance: Champaign Public Library, Champaign Public Library Douglass Branch, and the Illinois WorkNet Center.

Company Name: Watchfire Signs, LLC

Posted on: March 18, 2024

Job Title: Sales Development Representative, Outbound

Description:

Watchfire Signs is an 85+ year old company that is rapidly growing as an industry leader in the cutting-edge technology of digital LED signs. Our electronic message centers (EMCs) are designed for 24/7 outdoor signage use in all weather conditions. These cutting-edge outdoor LED displays may be as small as a time-and-temperature sign at a local bank or as large as 15'x50' and beyond. Our on-premise division sells to sign companies and dealers who re-sell our EMCs as a portion of a complete signage / business identity package for their customers.

Vertically integrated, Watchfire does everything from product engineering and circuit board assembly through final product integration and calibration. Post-sale, we provide world-class technical service and support. This allows us to sustain our position as the quality leader and the premium provider in our industry.

Based in Danville, Illinois, Watchfire offers comprehensive benefits including 401K with company matching, affordable health & dental insurance, paid time off in year of hire, continuing education assistance and career advancement opportunities. We have been an employer of choice for decades, offering an opportunity to work in an entrepreneurial environment where decisions can be made quickly.

Position Description:

The Sales Development Manager will manage the inbound and outbound Sales Development Representatives, assisting with building a pipeline of leads for the Outside Sales Team. The role is Salaried Exempt, reporting to the Senior Director of Marketing.

Job Title: Help Desk Customer Service Technician I

Description:

Our true differentiator in the market is exceptional technical support/customer service. Our help desk team is at the core of this promise. These technologically savvy call center techs are key team members who provide our outside customers -- end users and sign technicians -- with installation, service, maintenance and software operation assistance and training as part of the technical support helpdesk, utilizing an extensive knowledge base and hands-on training with our team. This is not a "customer service" CSR role in the traditional sense, as it is far more technical in nature; however, customer service is the critical focus of this helpdesk technician position.

Type: Full Time **Shift:** Other **Days:** Monday – Friday **Wage:** Hourly based

Benefits: Watchfire Signs offers a variety of benefits that include: medical, dental, vision, 401K, paid time off and much more!

Responsibilities:

- Provide world-class customer tech support promptly, with a focus on quality and on first call resolution to our customers, dealers, and end-users.
- Assist in continual improvement/expansion of the Watchfire knowledgebase - a key web-based collection of both internal and customer-facing troubleshooting, how-to and resolution documentation.
- Maintain detailed customer records in Customer Service database regarding each service/support call, email, and chat.
- Perform other various special software and engineering assignments or duties as required.
- Possible travel to job sites to provide hands-on assistance with installation, training, or service.
- Occasional weekend duties, such as providing on-call or remote weekend helpdesk support.
- Occasional interaction with design/engineering team, with possibility to grow into R&D assignments, depending upon level of education and technical training.

Qualifications:

- Solid understanding of basics of networking (not simply computer operation) is REQUIRED -- significant college coursework preferred.
- Basic understanding of electronics - including college coursework - strongly preferred.
- NETWORKING: Previous hands-on network installation/maintenance coursework or experience (network setup, network technician, cabling, PC setup, telecommunications, etc.) preferred.
- Previous customer service work experience is strongly recommended; 1+ years prior helpdesk / phone support experience, ideally IT/software/computer phone support, is strongly preferred.
- Exceptional and demonstrated verbal communication skills required, with demonstrated customer service skills STRONGLY preferred.
- Bilingual Spanish at a level of providing technical information via verbal or written communications a PLUS but not required.
- Willingness to work occasional overtime and weekends.

**Watchfire is an Equal Opportunity Employer. All aspects of employment including the decision to hire, promote, discipline, or discharge, will be based on merit, competence, performance, and business needs.*

The Harrison Profit Sharing and Retirement Plan

In 1950, Harrison Steel started a profit-sharing plan to help employees plan for their retirement. The company has since upgraded the plan to a self-directed daily valuation 401(k) plan, but has retained the profit-sharing component. All employees are eligible to enter the plan and defer their own money at the first of the month following the completion of three (3) months of service. Upon the completion of one (1) year of service by an employee, in which he or she completed at least 1,000 hours, the employee becomes eligible for the company match (up to 3% of gross wages) and profit-sharing contributions. The amount contributed through profit sharing depends upon the Company profits from the previous year and is available to all participants active as of December 31st. After three (3) years of service, the participant becomes fully vested and will receive the entire company portion of his or her account upon separation from the company. Loans of a minimum of \$1000 and up to half of the participant's vested amount may be made by our plan administrator. All loans must be paid back within five (5) years, there is a \$150 application fee, and a maximum of two (2) outstanding loans at any time. The Retirement Plan Advisory Committee is responsible for the administration of the plan and providing oversight, guidance, and due diligence with respect to investments within the plan. For more information, please review the plan, a copy of which you can obtain from Human Resources.

**International Union of
Operating Engineers
Local 841
Apprenticeship &
Training**

765-828-1102 Phone

765-828-1108 Fax

info@841training.org

The purpose of the Operating Engineers apprentice training program is to ensure a continuous supply of skilled craftsmen coming into the trade. Apprentices are carefully selected and provided with training that will ensure they will be equipped with superior skills and the latest technology. Upon completion of their training, they will be an asset to the employer as well as the community, to the end that the public will receive the best possible workmanship.

Some of the classes offered are Forklift, Global Positioning System, Basic Mechanic, Milling Machine, Oiler, Laser/Automatic Controls, Grade Stakes, OSHA, CPR/First Aid, Hazmat, Crane, Backhoe, MSHA, Directional Boring Machine, Graders, Dozers, and others.

The program offers the latest technological and safety training to the Apprentices as well as to the Journeyman Operating Engineers.

Local 841 believes that comprehensive, uniform training for the members will provide a work force that is both productive and safe, and is beneficial to the public, the contractor and the members. The training is based on the premises that the work of the Operating Engineer should be done by qualified Journeymen assisted by indentured Apprentices.

What Is An Apprentice?

Apprenticeship is an excellent way to learn a craft and to earn an income at the same time. The system is designed to give someone who knows little or nothing about the trade the knowledge to become a master.

The Illinois Department of Corrections is a multicultural agency deeply committed to ensuring diversity, equity, and inclusion. This commitment is at the forefront of our operations, hiring, policies and procedures, and training. We recognize the benefit of workplace empowerment, the importance of diversity and fully support an environment where ALL employees are treated fairly, respectfully, and have equal access to opportunities and resources necessary to thrive and contribute to the agency's success. IDOC genuinely values the differences of individuals in our custody and is committed to ensuring a healthy living environment where they feel valued, respected, and included.

Through our commitment to Diversity, Equity, and Inclusion (DEI), we shall establish and uphold agency policies and practices conducive to eliminating all forms of exclusion including, but not limited to, racism, ageism, ableism, sexism, discrimination based on sexual orientation, gender and gender identity, and religious oppression.

The Illinois Department of Corrections is proud to be an Equal Opportunity Employer.

ILLINOIS DEPARTMENT OF CORRECTIONS

Screening Process

Applicants must meet minimum standards on each examination to be eligible for hire. Applicants can earn up to a total of 130 screening points and are placed on eligibility lists in rank order. Institutions hire applicants based on scores.

1. Test of Adult Basic Education (TABE)-The Department of Corrections requires that all applicants for security positions successfully complete a written reading comprehension and vocabulary examination. Applicants meeting this criterion can move on to the next phase in the screening process. The TABE is used to establish a baseline for reading comprehension. This test is waived if the applicant has 15 or more college credits and brings transcripts the day of the testing.
2. Observation Examination (0-20 points)-To assess each applicant's capacity to comprehensively, fairly, and objectively evaluate a scenario and provide a detailed incident report. Applicants will be given a scenario write-up. Each applicant will be given 3 minutes to review the scenario and will be allowed to take notes. An applicant will then have 5 minutes to complete an incident report.
3. Structured Oral Rutan Interview and Writing Sample (0-100 points)-Applicants are interviewed by a team of two screeners using a standardized Rutan interview questionnaire.
4. Military Service (0-10)
5. Physical Agility Test - Since being in good physical shape is a prime consideration for being a Correctional Officer Trainee, applicants are required to successfully complete a physical agility test to be eligible for hire. The test includes four exercises designed to measure an applicant's ability to perform the job duties required of a Correctional Officer Trainee. Applicants must complete all four of the exercises to continue in the screening process. Test consists of: Hand Grip, Push-ups, Obstacle Course and stair steps.

Helpful Tips on Testing with IDOC

1. Fill out all attached forms completely and obtain all documents required before the screening. This information can be found on our website and on your email invite to the screening.
2. Make sure you do not have any employment GAPS on your CMS100. Start with high school graduation date or 18th birthday and cover all time until current date. Times of unemployment should be documented on its own with a brief explanation (unemployed, stay at home parent etc.)
3. Male applicants 26 and younger MUST have their selective service number on the date of the screening.
4. Discharged Veterans need a certified copy of DD214/NG22. Still active members need a certified letter of good standing.
5. There are practice versions online for the TABE exam, they are not IDOC tests but are similar 12th grade level, multiple choice questions that can assist in preparing for the exam. (google practice TABE exam)
6. During the Observation and Writing Sample portion you will be graded for grammar, punctuation, organization and including all specifics of the scenario.
7. RUTAN Interview: You will be given a point value for each question answered. It's important to answer all the parts of each question. The screeners can repeat the questions, they cannot elaborate, explain or provide feedback. They will be writing down your answers as you answer them.
 - a. Reviewing the job description beforehand, noting the demands of the position will better prepare you for describing your qualified abilities.
 - b. Use the information from your CMS100 to be sure you are giving full descriptions of your experience, education and/or training for each question asked. The more you can say/relate to the question being asked, the better.
 - c. Use the scrap paper to write the question down to remember to answer all the parts.

HSHS invests in its nurses with a comprehensive benefits program, competitive salaries and career development opportunities. We also care about achieving work/life balance and believe our colleagues need personal and family time to be well-rounded individuals who can best serve our patients.

Micah T.

HSHS Scholars program recipient

"Applying for the HSHS scholarship was the best thing I could have done for myself and my career path, and something I'd do time and time again. While nursing school is stressful enough in itself, I found peace in knowing I had financial help along the way, as well as already having lined up where I'd be working upon graduation."

Local 669 Sprinkler Fitters Apprenticeship Opportunities

TO: State of Illinois Outreach Organizations
DATE: August 2019

The Local 669 Joint Apprenticeship and Training Committee (JATC) conducts a five year apprenticeship program in all or part of 48 states in the U.S. for Sprinkler Fitters who are piping mechanics specializing in Fire Protection. We are very interested in your help to recruit qualified applicants. We also have excellent insurance, pension and education plans. The apprentice's entry-level rate is based on a percentage of the Journeyman rate of \$44.26 per hour and may increase every six months if qualified. Previous experience in construction or related college or military experience may enhance the entry-level wage.

The minimum qualifications for entry into the Program are:

- 1. Must be the age of 18 or over.**
- 2. Must be a high school graduate or have G.E.D.**
- 3. Must be physically fit to perform the work of the trade.**
- 4. Must have military discharge under other than dishonorable conditions, if applicable.**

Applications will be accepted five days per week, except holidays, 52 weeks per year between the hours of 9:00 - 11:30 a.m. and 1:30 - 3:00 p.m. at the contractor/employers address. All completed applications will be held on file until there is a need to interview applicants for expected opportunities.

Applications must be completed 45 days prior to interview date. All applicants must provide a copy of their birth certificate, high school diploma or G.E.D. certificate and Military Discharge (Form DD-214) if applicable.

The recruitment, selection, employment, and training of apprentices during their apprenticeship shall be without discrimination because of race, color, religion, national origin, or sex. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under title 29 of the Code of Federal Regulation part 30.

The JATC and Local 669 signatory contractors are Equal Employment Opportunity Employers.
